INSTITUTE	DISCIPLINE	YOP	SCORE
Bharati Vidyapeeth's College of Engineering, New Delhi	**B.Tech** CSE	2019	**71.83%**
Rajkiya Pratibha Vikash Vidyalya, New Delhi	**Class XII** (CBSE)	2014	**79.8%**
S.H.K. Sarvodya Bal Vidyalya, New Delhi	**Class X** (CBSE)	2012	**10 CGPA**

PROJECTS

Dynamic Cluster Head Selection: — *2018*

Using NS3, reduced the chances of failure in the network of individual clusters as well as the whole network., by choosing cluster heads dynamically.

Natural Text Generation: — *2019*

Implemented both the Markov Chain Model and RNN for generating natural text. The more the correlations are present among the subsequent phrases, higher will be the BLEU score of the generated text.
